		production, and amending the said Directive					
14.	hatched chick		Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks, Article 1 (1)				izperēts cālis
15.	crossing programme	obtained from a crossing programme approved by the breeder's organizations or associations	COMMISSIO N DECISION of 10 May 1990 laying down the criteria governing entry in flock- books for pure- bred breeding sheep and goats				krustošanas programma

			(90/255/EEC), Article 3				
16.	dam, sow		Council Directive 91/630/EEC of 19 November 1991 laying down minimum standards for the protection of pigs, A,II,III				sivēnmāte
17.	deleterious inbreeding	to prevent or alleviate deleterious inbreeding	COMMISSIO N REGULATIO N (EC) No 767/98 of 7 April 1998 amending Regulation (EC) No 939/97 laying down detailed rules concerning the implementatio n of Council Regulation (EC) No				kaitīga tuvradniecīga krustošana, kaitīgs inbrīdings

			338/97 on the protection of species of wild fauna and flora by regulating trade therein, Article 3.,c				
18.	dual purpose chicks	DFE: chicks intended either for laying or for the table. DRE: Eurostat Metadata	Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks, Article 1				divējādas (divējas) izmantošanas cāļi
19.	embryo	This is an in vivo test in mice in which developing embryos are exposed to the chemicals	COMMISSION DIRECTIVE of 18 November 1987 adapting to technical progress for the ninth time		embryon	Embryo	embrijs, auglis

			Council Directive 67/548/EEC on the approximation of laws, regulations and administrative provisions relating to the classification, packaging and labelling of dangerous substances (87/302/EEC)				
20.	equidae, horse	stud-books for registered equidae; DFE: Domestic animals of the equine or asinine species or crossbreeds thereof. DRE: Council Directive 90/427/EEC on the	92/354/EEC: Commission Decision of 11 June 1992 laying down certain rules to ensure coordination between organizations and associations which maintain	<i>Equidae</i>		Pferde	zirgu dzimta; zirgu dzimtas dzīvnieki

		zootechnical and genealogical conditions governing intra-Community trade in equidae, OJ 1990 L 224, p.55	or establish stud-books for registered equidae				
21.	ewe	shall mean any female of the ovine species having lambed at least once or aged at least one year. DFE: The female of the sheep, and of sheeplike animals. DRE: Brainy Dictionary	Commission Regulation (EC) No 394/2001 of 27 February 2001 amending Regulation (EEC) No 2700/93 on detailed rules for the application of the premium in favour of sheepmeat and goatmeat producers		brebis		aitu māte
22.	ewe lamb put to the ram		Council				aplecināts jērs

			Directive 93/25/EEC of 1 June 1993 on the statistical surveys to be carried out on sheep and goat stocks				
23.	fatten, fattening	Beef and veal producers may qualify for a special premium. It shall be granted at the producers' request for male animals at least nine months old which are fattened on their holdings. DFE: To give an animal or a thin person lots of food so that they become fatter. DRE:	Council Regulation (EEC) No 571/89 of 2 March 1989 amending Regulation (EEC) No 805/68 on the common organization of the market in beef and veal repealing Regulation (EEC) No 1302/73 and extending Regulation (EEC) No 4132/88		engraisser	mästen	nobarot, nobarošana

		Freesearch					
24.	female animal		Council Directive 92/5/EEC of 10 February 1992 amending and updating Directive 77/99/EEC on health problems affecting intra-Community trade in meat products and amending Directive 64/433/EEC				sieviešu dzimuma dzīvnieks
25.	flock	DFE: The name of the family group of many animals. DRE: Glossary of Terms on the Arctic	Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard		cheptel		saimē; (sīklopu) ganāmpulks

			poultry chicks, Article 1 (1)				
26.	flock book	For animal genetic resources maintained on farms, efforts should concentrate on a European network of national inventories of administrative aspects (origin and status of funding, state of breeds and their endangerment, location of herdbooks, etc.) [...]; DFL: Informācijas krājums par augstvērtīgu dzīvnieku izcelšanos,	COUNCIL DIRECTIVE of 30 May 1989 concerning pure-bred breeding sheep and goats (89/361/EEC), preamble		livre généalogique	Herdbuch	ciltsgrāmata

		produktivitāti un ciltsvērtību; DRL: Ciltsdarba likums					
27.	gelded	-gelded male bovine animals; DFE: (of a <u>male animal</u> ) having the <u>testicles removed</u> - <u>cut, emasculated.</u> DRE: WordWeb.Online	94/433/EC: Commission Decision of 30 May 1994 laying down detailed rules for the application of Council Directive 93/24/EEC as regards the statistical surveys on cattle population and production, and amending the said Directive, Annex				kastrēts
28.	genetic value, breeding value		86/130/EEC: Commission Decision of 11		valeur génétique	Zuchtwert	ciltsvērtība

			March 1986 laying down performance monitoring methods and methods for assessing cattle's genetic value for pure bred breeding animals of the bovine species				
29.	gilt		Council Directive 91/630/EEC of 19 November 1991 laying down minimum standards for the protection of pigs, 2.3				jauncūka
30.	mated goat		Council Directive 93/25/EEC of 1 June 1993 on the statistical surveys to be carried out on				aplecināta kaza

			sheep and goat stocks				
31.	grandparent and parent female chicks		Commission Regulation (EC) No 2031/2001 of 6 August 2001, amending Annex I to Council Regulation (EEC) No 2658/87 on the tariff and statistical nomenclature and on the Common Customs Tariff				vecvecāku un vecāku sieviešu dzimuma cāļi
32.	hatching egg, egg for hatching	DFE: Eggs intended for chick production as specified in the rules concerning eggs for hatching (cf. "eggs in	Commission Decision of 12 May 1993 laying down the criteria for classifying third countries with regard to avian influenza and Newcastle		oeuf ȱ couver		inkubējama ola

		shell"). DRE: Council Regulation EEC 2772/75 on marketing standards for eggs, OJ L 282/75, p.56	disease				
33.	heifer for slaughter		94/433/EC: Commission Decision of 30 May 1994 laying down detailed rules for the application of Council Directive 93/24/EEC as regards the statistical surveys on cattle population and production, and amending the said Directive, Annex				tele kaušanai

34.	hybrid breeding pig		Commission Decision of 18 July 1989 laying down the certificate of hybrid breeding pigs, their semen, ova and embryos, Title				vaislas hibrīdcūka
35.	laying		Council Directive 83/228/EEC of 18 April 1983 on the fixing of guidelines for the assessment of certain products used in animal nutrition, Annex				[olu] dēšana
36.	laying chick		Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and				dējējčālis

			marketing of eggs for hatching and of farmyard poultry chicks, Article 1				
37.	lineage	lineages entered in one or more other stud-books, where necessary; DFE: Race, progeny, family, ascending or descending (animal breeding); lineages entered in one or more other stud-books, where necessary. DRE: Eurodicautom	92/353/EEC: Commission Decision of 11 June 1992 laying down the criteria for the approval or recognition of organizations and associations which maintain or establish stud-books for registered equidae, annex (3)b		filiation		ciltsraksti; ciltskoks
38.	male pig		Council Directive				vepris, kastrēts kuilis

			91/630/EEC of 19 November 1991 laying down minimum standards for the protection of pigs, 2.2				
39.	mating	DFE: The act of pairing a male and female organism for reproductive purposes. DRE: Hypermedia Glossary Of Genetic Terms	Council Directive 90/219/EEC of 23 April 1990 on the contained use of genetically modified micro-organisms, Article 2				pārošanās; pārošana
40.	milk-yield		REGULATION (EEC) No 986/68 OF THE COUNCIL of 15 July 1968 laying down general rules for granting aid for				izslaukums

			skimmed milk and skimmed milk powder for use as feed, Article1				
41.	ovine and caprine animals						aitu un kazu dzimtas dzīvnieki
42.	sheep and goats						aitas un kazas
43.	parent stock chick	NOL: Krustošanās process sastāv no divām tēva(AB) un divām mātes(CD) līnijām. Krustojot AB ar CD, iegūst vecvecāku formu. Savukārt, krustojot savā starpā šīs krustošanas pēcnācējus, iegūst vecāku formu. Turpinot šo	Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks				vecāku ganāmpulka cālis

		<p>procesu, iegūst vēlamo hibrīdu. Nav nekāda pamata saukt šos cāļus par "vairošanās cāļiem". NRL: konsultācija ar Jāni Nudienu, Latvijas Putnkopības asociācijas priekšsēdētāju</p>					
44.	pedigree breeding establishment	<p>DFE: An establishment, for the production of eggs for hatching intended for the production of grandparent stock. DRE: Eurostat Metadata</p>	<p>Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks, Preamble</p>				<p>ciltsdarba uzņēmums</p>
45.	progeny		<p>COMMISSION DECISION of 10 May</p>		<p>descendance</p>	<p>Nachkommenschaft</p>	<p>pēcnācēji</p>

			1990 laying down methods for monitoring performance and assessing the genetic value of pure-bred breeding sheep and goats (90/256/EEC), Annex				
46.	puberty		Council Directive 91/630/EEC of 19 November 1991 laying down minimum standards for the protection of pigs, 2.2				dzimumgatavība
47.	pure-bred animal	DFE: Any animal for breeding covered by Annex II to the Treaty, the trade in which					tīršķirnes dzīvnieks

		<p>has not yet been the subject of more specific Community zootechnical legislation and which is entered or registered in a register or pedigree record kept by a recognized breeders' organization or association.</p> <p>DRE: Council Directive 91/174/EEC laying down zootechnical and pedigree requirements for the marketing of pure-bred animals and amending Directives</p>

		77/504/EEC and 90/425/EEC, OJ L 85/91, p.37					
48.	rearing	Whereas the granting of a second premium for bulls over 22 months old is an incentive to the rearing of particularly heavy animals	Council Regulation (EC) No 2222/96 of 18 November 1996 amending Regulation (EEC) No 805/68 on the common organization of the market in beef and veal		élevage, production	Aufzucht, Erzeugung	audzēšana
49.	semen	Council Directive 2003/43/EC amending Directive 88/407/EEC provides that as of 1 January 2005, semen of domestic animals of	Commission Decision of 6 January 2004 amending Annex D to Directive 88/407/EEC as regards health certificates applying to intra-		sperme	Samen	sperma

		bovine species must be collected, processed and stored according to the new provisions introduced by Directive 2003/43/EC in order to be eligible to intra-Community trade	Community trade in semen of domestic animals of bovine species				
50.	sexual maturity		Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks, Article 1				dzimumgatavī ba

51.	sow of breeding age		Council Directive 80/217/EEC of 22 January 1980 introducing Community measures for the control of classical swine fever, Article 14b				dzimumbriedumu sasniegusi sivēnmāte
52.	Standing Committee on Zootechnics		Commission Decision of 26 March 1992 on the collection of data concerning competitions for equidae as referred to in Article 4 (2) of Council Directive 90/428/EEC (92/216/EEC), preamble				Pastāvīgā zootehnikas komiteja
53.	table type chick, broiler	table type chicks : chicks	Regulation (EEC) No		poussins de chair	Schlachtküken	broilers, broilera cālis

		intended to be fattened and slaughtered before reaching sexual maturity	2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks, Article 1				
54.	utility chick		Regulation (EEC) No 2782/75 of the Council of 29 October 1975 on the production and marketing of eggs for hatching and of farmyard poultry chicks, Article 1 (1)				utilizējamais cālis
55.	viability		COMMISSION DECISION of 10 May 1990 laying down methods				dzīvotspēja

			for monitoring performance and assessing the genetic value of pure-bred breeding sheep and goats (90/256/EEC), Annex				
56.	weaning	Average litter size in the experimental and control groups at birth and at weaning	COMMISSION DIRECTIVE of 18 November 1987 adapting to technical progress for the ninth time Council Directive 67/548/EEC on the approximation of laws, regulations and administrative provisions relating to the		sevrage	Entwöhnung	atšķiršana

			classification, packaging and labelling of dangerous substances (87/302/EEC)				
57.	zootechnical legislation	DFE: All Community provisions and provisions which contribute to the application of Community rules on zootechnical matters. DRE: Eurodicautom					zootehnikas tiesību akti
58.	zootechnics	DFE: The scientific art of maintaining and improving animals under domestication including breeding, genetics, nutrition and housing; the					zootehnika

		technology of animal husbandry. DRE: Webster's Third New International Dictionary, 1966					
59.	A virus		Council Directive 92/40/EEC of 19 May 1992 introducing Community measures for the control of avian influenza, Article 2				A tipa vīruss
60.	accelerated eradication		Council Directive 78/52/EEC of 13 December 1977 establishing the Community criteria for				paātrināta apkarošana

			national plans for the accelerated eradication of brucellosis, tuberculosis and enzootic leukosis in cattle, title				
61.	ADNS, Animal Disease Notification System, computerised disease notification system						[datorizēta] dzīvnieku slimību reģistrēšanas sistēma, ADNS
62.	affected organ		Council Directive 92/66/EEC of 14 July 1992 introducing Community measures for the control of Newcastle disease, Annex				slimības skarts orgāns
63.	African horse sickness, AHS	An outbreak of African horse sickness has been declared	Commission Decision of 17 March 2004 on certain	<i>Pestis Africana equorum</i>	peste équine	afrikanische Pferdepest	Āfrikas zirgu mēris

		in horses kept within the African horse sickness surveillance zone of the Western Cape Province; DFE: A highly infectious fatal disease of horses, donkeys and mules, caused by a viscerotropic arbovirus transmitted by mosquitoes and possibly Culicoides sp. DRE: Eurodicautom	protection measures with regard to registered horses coming from South Africa (2004/262/EC)				
64.	African swine fever, ASF	DFE: A highly contagious, usually fatal, viral disease of pigs with signs and lesions	Council Regulation (EC) No 2432/2001 of 20 November 2001 amending	<i>Pestis Africana suum</i>		Afrikanische Schweinepest	Āfrikas cūku mēris, ĀCM

		resembling those of hog cholera; it is caused by African swine fever virus, classified as an Iridovirus. DRE: Eurodicautom	and updating Regulation (EC) No 1334/2000 setting up a Community regime for the control of exports of dual-use items and technology				
65.	agent of the disease, disease agent, agent	It is necessary to lay down specific animal health conditions and model certificates for those third countries, taking into account the animal health situation of the third country concerned and of the fish, eggs or gametes to be	Commission Decision of 21 November 2003 laying down the animal health conditions and certification requirements for imports of live fish, their eggs and gametes intended for farming, and live fish of aquaculture origin and		agent pathogčne	Krankheitserreger	slimības ierosinātājs, ierosinātājs, izraisītājs

		imported, in order to prevent the introduction of disease agents that could cause significant impact to the fish stock in the Community	products thereof intended for human consumption (notified under document number C(2003) 4219) (Text with EEA relevance) (2003/858/EC)				
66.	allantoic cavity		Council Directive 92/40/EEC of 19 May 1992 introducing Community measures for the control of avian influenza, Annex 3				alantoja dobums
67.	animal building, animal housing, animal accommodation, livestock building	.. establishes Community provisions applying to all farmed animals	Commission Directive 2001/93/EC of 9 November 2001 amending		logement des animaux, bâtiment d'élevage	Haltungsgebäude, Tierhaltung, Stallung	dzīvnieku novietne, telpa dzīvnieku turēšanai

		in relation to construction requirements for animal housing; Production must take place in a unit of which the production premises, land parcels, pasturage, open-air exercise areas, open air runs, livestock buildings. DFE: place in which an animal is housed	Directive 91/630/EEC laying down minimum standards for the protection of pigs				
68.	animal feed, animal fodder, animal food	Commission Regulation (EC) No 2279/1999 of 28 October 1999 on the sale at a price	Commission Regulation (EC) No 2279/1999 of 28 October 1999 on the sale at a price		aliment pour animaux, alimentation animale, alimentation des animaux	Futter, Futtermittel	dzīvnieku barība, lopbarība

		fixed in advance of unprocessed dried figs from the 1998 harvest held by the Greek and Spanish storage agencies to distilleries and the animal feed industry; Manufacture of animal foods	fixed in advance of unprocessed dried figs from the 1998 harvest held by the Greek and Spanish storage agencies to distilleries and the animal feed industry				
69.	animal health		Thesaurus Eurovoc 3.1				dzīvnieku veselība
70.	animal health guarantees	The letter (A, B, C, D, E, F, G, and H) appearing in the table, refer to the models of animal health guarantees as described in Part 2 of Annex HI, to	Commission Decision of 15 November 2002 amending Decision 93/402/EEC as regards imports of fresh meat from Brazil (notified under document		garanties de police sanitaire	Tiergesundheit sanforderungen	dzīvnieku veselības garantijas

		be applied for each product and origin in accordance with Article 2.	number C(2002) 4493) (Text with EEA relevance) (2002/908/EC)				
71.	animal nutrition		Commission Directive 98/67/EC of 7 September 1998 amending Directives 80/511/EEC, 82/475/EEC, 91/357/EEC and Council Directive 96/25/EC and repealing Directive 92/87/EEC				dzīvnieku ēdināšana
72.	animal of susceptible species		Council Directive 92/119/EEC of 17 December 1992 introducing general Community				[pret slimību] uzņēmīgas sugas dzīvnieks

			measures for the control of certain animal diseases and specific measures relating to swine vesicular disease, Article 4.2a				
73.	ANIMO, notification system of live animal movements and imports	DFE: A computerized network established to ensure that information on the transport of live animals within the European Union is available to the national authorities. Livestock coming from non-member countries are subject to the			ANIMO, Informatisierte s Netz zum Verbund der Veterinärbehörden	ANIMO, Informatisierte s Netz zum Verbund der Veterinärbehörden	<i>ANIMO</i> , dzīvnieku pārvietošanas un importa paziņošanas sistēma

		same checks. DRE: European Consumer Guide to the single market, European Commission, 1994, p.110					
74.	post mortem inspection	and sinews described above are derived from animals which have been slaughtered in a slaughterhouse and whose carcasses have been found fit for human consumption following ante and post mortem inspection; DFE: The checks carried	Council Directive 92/5/EEC of 10 February 1992 amending and updating Directive 77/99/EEC on health problems affecting intra- Community trade in meat products and amending Directive 64/433/EEC, Annex C,ii				pēckaušanas apskate

		<p>out by the Meat Hygiene Service on the carcasses of animals slaughtered for human consumption.  DRE: Veterinary surveillance:  Glossary</p>					
75.	ante mortem inspection	<p>pig skins, poultry skin and tendons and sinews described above are derived from animals which have been slaughtered in a slaughterhouse and whose carcasses have been found fit for human consumption</p>	<p>COMMISSION DECISION of 10 December 1999 establishing health certificates for the importation from third countries of gelatine intended for human consumption and of raw materials</p>		inspection ante mortem	Schlachttieruntersuchung	pirmskaušanas apskate

		following ante and post mortem inspection	destined for the production of gelatine intended for human consumption (notified under document number C(1999) 3989) (Text with EEA relevance) (2000/20/EC)				
76.	anthrax	DFE: Infectious disease caused by the spore-forming bacteria called <i>Bacillus anthracis</i> . Infection in humans most often involves the skin, the gastrointestinal tract, or the lungs. DRE:	Commission Decision of 17 February 1993 laying down a model for the animal health conditions and veterinary certification for the importation of domestic ovine and caprine animals from third countries	<i>Anthrax</i>		Milzbrand	liesassērga, Sibīrijas lopu mēris

		Medical Encyclopedia	(93/198/EEC)				
77.	antibiotic medium	The organs and tissues listed in paragraph 1 may be pooled, but separate treatment of faecal material is essential. Swabs should be placed in sufficient antibiotic medium to ensure full immersion. Faeces samples and organs should be homogenized (in an enclosed blender or using a pestle and mortar and sterile sand) in antibiotic medium and made to 10-20	Council Directive 92/40/EEC of 19 May 1992 introducing Community measures for the control of avian influenza, Annex 3				antibiotiska vide

		% w/v suspensions in the medium.					
78.	antigen detection		Council Directive 80/217/EEC of 22 January 1980 introducing Community measures for the control of classical swine fever, Annex I, A,1				antigēna noteikšana
79.	antigenic components	addition of one or more active substance(s) including antigenic components for vaccines	Commission Regulation (EC) No 542/95 of 10 March 1995 concerning the examination of variations to the terms of a marketing authorization falling within the scope of Council				antigēnie komponenti

			Regulation (EEC) No 2309/93, Annex II				
80.	assisted farrowing		Council Directive 91/630/EEC of 19 November 1991 laying down minimum standards for the protection of pigs				sivēnmātes atnešanās ar veterināru ar palīdzību
81.	Aujeszky's disease, Porcine herpes	DFE: A viral disease caused by a herpesvirus that affects pigs but also carnivores, ruminants and horses, leading to encephalomyelitis-type nervous symptoms. DRE: Caribvet	Council Regulation (EC) No 1334/2000 of 22 June 2000 setting up a Community regime for the control of exports of dual-use items and technology	<i>Morbus Aujesczki.</i> <i>Pseudorabies</i>	maladie d'Aujeszky, pseudo-rage		Aujeski slimība
